Gary:

Beth is working with Republic t to get this set up. I agree on the Adler boxes. I have set up the release of the vacuum boxes from Veolia to go to Dynamic Rentals directly.

Leroy:

I would like all the non-haz vac boxes and roll-off boxes ready for disposal to be schedule and sent off-site this week if at all possible. . I especially want all the adler boxes sent off and sent back to adler.

Please remember that we should release whatever vac boxes/roll-off boxes that we do not need except for the vacuum boxes that are free to us. The free ones and the ones that we think we will need should come back to us without TIBM cleaning. The others that we no longer need should be sent to TIBM for final cleaning and then back to the rental company (not back to the site and then back to the rental company).

Thanks
